# 4 GREAT COLOURS INFINITE POSSIBILITIES

Great Lakes is our best-selling Fusion Stone system for a reason. It fuses together ease of installation, no mortar convenience, a rugged, traditional visual effect, and a colour selection you will love. Nothing beats Great Lakes for elegance and utter good looks.

Choose from the distinctive rusty and brown multi-hues of Brindle, the relaxed, subdued tones of beautiful Raven, the contemporary, rich and cloudy overtones of Carbon, or the more subtle resonance of dusky Fawn.

Great Lakes transforms the average into the spectacular both inside and out.
